

Collective DESIGN

Spring 2015

Established in 2013, Collective DESIGN is the stylish and contemporary supplement to the well-known Griff Trading.

Simplistic in nature, Collective DESIGN aims to inspire with its thoughtfully curated items. Beautiful glassware, ceramics, craft supplies, and personal treasures come in a soft colour palette imbued with a touch of quirky charm. Inspirations come from here and afar, natural materials are chosen for their organic qualities while a certain Nordic influence is evident throughout.

The team from Collective DESIGN understand quality design and are passionate about their products whether it is for crafting, styling a special event or for the home.
